Experience

School Datebooks

Cover Production Assistant
March 2014 - July 2014

Designed and copy-edited over 300 school handbooks within tight deadlines.

Provided content review and quality control of all graphic materials including file formats and image resolution.

Edited images for each handbook using Photoshop to meet publishing and printing standards.

Coordinated with customer service to resolve client issues during production.

Ivy Tech Community College

School of Technology
Lab Assistant
Fall 2014 - May 2015

Designed marketing materials for the School of Technology including posters, flyers, course registration signs and table top displays for college fairs.

Provided technical support on Photoshop, Illustrator, AutoCAD and SolidWorks to staff and students.

Provided support to students on assignments in various graphic design courses.

Completed specific design projects as assigned by program chair such as logo designs, course presentations and hand-out advertisements.

Domino's Pizza

Assistant manager
January 2014 - Present

Provided product, cash and logistics management for a +\$1million revenue store.

Supervised a team of +15 members.

Ensured smooth operations and exceptional customer service in a fast-paced environment.

Screened and interviewed +15 candidates.
